

Product Owner

- St. Louis, MO, USA
- Full-time

Company Description

Blending cutting-edge technologies, unique skill sets and proven cyber counterintelligence strategies, SpearTip partners with our clients to protect shareholder value, shield corporate reputations and enhance long-term profits. We are driven to protect our clients from the ever-changing threat actors and become the gold standard in detecting zero-day vulnerabilities.

We are driven by our core values: tenacious, consistent, decisive, continuous learning, accountable and collaborative. These values define our culture, and we strive to employ technical experts who have the right character, attitude, and motivation necessary to deliver exceptional service to our clients. We are looking for new talent in the St Louis area to be a part of our growing team!

Job Description

The Product Owner role at SpearTip is responsible for overseeing the development and enhancement of software products to support business operations and deliver on our mission. To be successful in this role an individual will need to have a passion for continuous improvement, be collaborative with business and development teams, and consistently drive towards goals.

Duties/Responsibilities

- Collaborate with product end users to understand pain points and feature requests
- Contribute to vision of software products
- Establish and maintain product roadmap
- Populate and prioritize product backlog
- Author actionable user stories for development
- Lead and/or participate in standups, grooming, and other development-related meetings

Qualifications

Required Skills/Abilities

We consider a candidate's character, experience, potential, and desire to learn. For a strong candidate, we offer training and company-paid certifications to fill knowledge gaps.

- Experience in multiple project methodologies (Kanban, Scrum, etc)
- Experience working in a hybrid/remote environment
- Able to communicate with technical and non-technical colleagues
- Practices excellent time management
- Ability to prioritize effectively

- Strong written and oral communication skills
- Knowledge of cloud environments (preferred)

Education and Experience

- 3-5 years of relevant experience

Additional information

At SpearTip, we strive to protect our clients 24/7, 365 days a year from the ever-evolving changes in cybersecurity. We take pride in our results and what we achieve. We recognize that life isn't all about work; we promote a culture that supports your personal goals and enriches your professional goals.

We provide excellent benefits to our team members. You could be eligible for:

- 100% employer paid health, dental and vision coverage plans for you and your family members
- 401(K) Plan with 100% employer match up to the first 5%
- Paid Time Off program and paid holidays
- Opportunities to grow and promote through employee development and employer-paid training

We want people who want to grow with us! Are you ready to stop threat actors from victimizing companies? Apply and find out!
